Welcome to the first newsletter of Wisbech Swimming Club and a happy new year to you all.

As this newsletter will be copied onto the website (www.wisbechsc.org.uk) we will try not to duplicate information that is already there, if you require more information, further details are available on the website or by asking a committee member. This is your newsletter about your club, so if you have anything you'd like to see in print or any articles regarding the club, its swimmers, coaches, past or present members please let us know.

also – Sat 17th March at Peterborough, Sun 18th at Parkside Pool, Cambridge.

Good Luck to all who compete.

As part of our accreditation Wisbech Swimming Club now has a constitution. To view this or for further details please see Graham Moore.

Would all swimmers and parents please note the following:

Wisbech Swimming Club is a competitive club and as such 'pre-squad swimmers or above' should be available to compete when chosen. The schedule until July is as shown, should you have prior commitments on these dates please inform Clive at least one week before the gala in order that you are not placed on the team sheet.

Hats are to be worn by all swimmers with long hair when training with the club, club hats or red ONLY.

When at galas and representing the club, Wisbech Swimming Club hats ONLY may be worn.

No Warm Up – No Swim:

Swimmers must be ready at poolside for warm up at the allocated time. Lateness not only means that you don't start the session with your peers, it also causes disruption for those who did arrive on time and means that they have their time wasted during the training session. From 1st February you will be given one chance only. See notice on the board for further details.

Congratulations to Dianne and the teachers of the small pool for raising over 185 at their pajama party.

If You have ideas of how to make the club a more fun place why not join Fiona, Sharon, Tracy, Penny and Cathy at the social committee meeting at the end of January, or alternatively let them know your ideas prior to this.
